DEVELOPING A SERVANT'S HEART

Overview

The Bible is more than a great piece of literature or a book of inspirational and spiritual truths. It is a practical manual for daily living. In many ways, it is God's service manual for life. It tells us how to live a godly life, how to maintain loving relationships, and how to fulfill our reason for being on this earth. It clearly tells us how to use our gifts, time, talents, money, and more for God glory and his purpose.
